

WEIDMANN

Weidmann Electrical Technology, a business area of the Weidmann Group, is the world's leading developer and manufacturer of specialized products and services for transformers and cellulose-based, sustainable industrial materials. The Weidmann Group, headquartered in Rapperswil-Jona, Switzerland, is active worldwide in more than 30 locations and employs a staff of 2'800.

Weidmann Electrical Technology AG based in Rapperswil SG is looking to recruit a

Environmental, Health and Safety Manager (M/W/D)

Your tasks: Prepare and enforce policies to establish a culture of health and safety in Rapperswil SG

- Develop and execute an EHS plan/roadmap according to legal guidelines
- Create & implement an Environmental Management Plan, if needed
- Evaluate practices, procedures and facilities to assess risk and adherence to the law
- Develop trainings on EHS matters & cascade into the local management team
- Establish professional safety audits in Rapperswil
- Perform and coordinate ISO 45001 audits and internal safety audits
- Monitor compliance to policies and laws by inspecting managers, employees & operations
- Inspect equipment and machinery to observe possible unsafe conditions
- Investigate accidents or incidents to discover causes
- Recommend solutions to issues, improvement opportunities or new prevention measures
- Report on health and safety awareness, issues and statistics
- Define targets to used KPIs
- Ensure a correct, complete and timely EHS reporting in defined tools

Your qualifications: Proven experience as safety manager

- Deep understanding of legal health and safety guidelines
- Ability in producing reports and developing relevant policies globally
- Good knowledge of data analysis and risk assessment
- Excellent organizational and motivational skills
- Excellent attention to detail and observation ability
- Exceptional communication and interpersonal abilities
- BSc/BA in safety management or relevant field is preferred
- Valid qualification in occupational health and safety
- Proficiency in Project Management, well developed problem solving and process improvement skills
- Fluent English and German skills written and oral, every other language is an advantage

We are looking forward to receiving your complete application.
