## **The role...**

reports to the Global Head of Operations. Leads functionally the Paper- and Board Makers Group, where all the board- and papermaker locations in Weidmann are represented.

## **How you'll make an impact...**

- Bring in best-practices and standards from state-of-the-art operations in the Industry
- Utilize the Weidmann operational excellence pyramid (SQDC) to prioritize projects and actions to implement the roadmap. Build on available standards in the group such as 5S
- Act as a Project manager for Projects of particular importance (complexity, risk, impact) acting as a role model for the organization
- Support management in implementing a data driven shop floor management, including consistent handling of reported and escalated disturbances/deviations

## **What do you bring...**

- Bachelor's degree in Paper Science and Engineering or Chemical Engineering
- 15 - 20 years' experience in a Board or Paper manufacturing setting desired
- 6 Sigma/Lean manufacturing knowledge
- Experience working collaboratively with cross functional teams
- Excellent organizational and interpersonal relationship skills required

## **What do we offer?**

- You are empowered to make a strong impact
- International, cross cultural work environment
- Travel opportunities
- Weidmann offers generous compensation and competitive benefits depending on the country of employment

We look forward to hearing from you soon!
